

## **5 Things to know before you visit Las Vegas**

Las Vegas a known paradise of gamblers, night life lovers and life adventurers has many things to reveal on your visit to its heart.

Las Vegas, the city of Hotels, Casinos, Nightlife, Golf Courses, Wedding Parties and Conventions, is the worldwide attraction for tourist adventurers. It is a city that never sleeps. Top 5 things you must know about Los Vegas are:

### **1-Angel Park Mountain:**

When it comes to Golf, term remains incomplete without mentioning the most complete golf park of the world i.e., Angel Park Mountain golf park. This huge golf park has two 18-holes championship designed courses those are 6,800 yards wide. Angel Park Mountain, a desert style golf course is situated near Red Rock Canyon. Las Vegas Strip Skyline is also visible from this Angel Park Mountain.

### **2-Stratosphere Tower**

Observation Tower, "Stratosphere Tower" is the tallest attraction in USA. This tower is 1,149 feet high and has an out door deck at 809-feet and an indoor deck at 857 feet level. These decks are amazing proof of modern architecture and engineering. You can see the whole indoor deck standing on three legs with glass walls hanging out. High speed elevators take you up to the top in 30 seconds. Observatory, revolving restaurant at top, unique architecture, and a unique experience awaits for you there.

### **3 – Mon Ami Gabi:**

The famous French steak house with Parisian cafe` are combined together at Mon Ami Gabi the place famous for its finely sliced steaks with mouth watering French fries. Mon Ami Gabi also offers a great variety of hot and cold seafood.

### **4- Graceland Wedding Chapel:**

Graceland Wedding Chapel is the place where seasoned romantic couple dream to hold their marriage in. Graceland Wedding Chapel with its old history and outstanding building is famous for its service and accommodations. This most recognized wedding chapel has many celebrity weddings on its record; Jon Bon Jovi, Billy Ray Cyrus and Jay Leno are only few of those.

### **5- Grand Canyon Landing**

When people think of USA, they think of Las Vegas and when they think of Las Vegas they visualize Grand Canyon Landing. It's never possible for a tourist to visit Las Vegas and miss the journey to Grand Canyon. For stunning views of this natural wonder you can go on helicopter. In one journey by helicopter you can see breath taking views, charming beauty and grace of nature all together. Other than Grand Canyon you will also witness Lake Mead the biggest man made lake and wonderful Hoover Dam.
